METROPOLITAN STATE UNIVERSITYSM

OF DENVER

Internship Program

Job ID: 14441

Internship Title: Professional Occupations Intern II

Agency: Government

Location: Denver, Co

Description: Denver County Court is seeking a Professional Occupations Intern II to perform intern level work performing supervised duties in County Court Probation. The minimum length of service in training class: 1 year Maximum length of service in training class: 2 years.

- Denver County Court Probation provides pre-sentence investigation reports to Denver County Court Judges. It also monitors compliance with terms of probation for misdemeanors and municipal ordinance violations.
- The majority of cases referred to DCC Probation are domestic violence and driving under the influence of alcohol (DUI) or drugs (DUID) cases. Probation Officers handling these cases maintain ongoing relationships with treatment agencies in order to hold defendants responsible to court orders and to increase public safety.
- Trains in the theoretical and technical aspects of the professional field and learns and applies work procedures and policies related to the assignment.
- Trains in and assists in the performance of duty assignments within clearly defined parameters, restricted in complexity, scope and level, and under close supervision.
- Communicates with employees and the public to receive and relay factual information and to facilitate public relations.
- Trains in and prepares various reports and other documents in accordance with specified requirements, guidelines and supervisory instructions.
- Under normal supervision, applies work procedures and theoretical and technical aspects relevant to the professional field to the completion of assigned portions of a project.
- Works primarily with DUI cases. The person selected for this position will assist with verification of completion of the Victim Empathy Panel (VIP) and Useful Public Service (UPS) for clients in these cases. This position assists clients with scheduling VIP.
- Assists probation clients with Sentry; substance abuse monitoring.
- Attends meetings, educational classes and participates in training offered by the City and applies information to work assignment.
- By departmental or professional field assignment, trains in and performs research, data verification, interpretation and analysis, formulates preliminary recommendations, and develops reports, which may involve statistical analysis.
- By departmental or professional field assignment, trains in and assists with interviews, investigations and other office work to collect and/or verify information and documents findings.
- Performs other related duties as assigned.
