AURARIA HIGHER EDUCATION CENTER

CAMPUS SECURITY AND SAFETY

This report was prepared by the Auraria Higher Education Center (AHEC) Police Department in order to comply with the Clery Act (formerly known as the Federal Student Right-to-Know and Campus Security Act of 1990). The report describes security practices and procedures at the Auraria Higher Education Center and lists crime statistics for the most recent calendar year and the two preceding calendar years. The Auraria Higher Education Center serves three institutions: Community College of Denver, Metropolitan State College of Denver and University of Colorado Denver. Since 1992, these institutions have been required to report each year on the status of campus security to all current students and employees. The report will be provided to any applicant for enrollment or employment on request.

This publication is intended to provide a general description of campus security arrangements, and not to serve as a contractual agreement between AHEC and the recipient. Security procedures are subject to change without notice.

DEFINITION OF CAMPUS

The term "campus" means:

Any building or property owned or controlled by an institution of higher education within the same reasonably contiguous geographic area of the institution and used by the institution in direct support of, or in a manner related to, the institution's educational purposes, including residence halls; and

- 1 Property within the same reasonably contiguous geographic area of the institution that is owned by the institution but controlled by another person, is used by students, and supports institutional purposes (such as a food or other retail vendor).
- 2 The Auraria Campus is defined as those properties, streets, retail operations and facilities owned by the State of Colorado and used by students, staff, faculty and visitors which are bounded by Auraria Parkway, Speer Boulevard, Colfax Avenue and Fourth Street.

DEFINITION OF NON-CAMPUS

The term "non campus building or property" means:

- 1 Any building or property owned or controlled by a student organization recognized by the institution; and
- 2 Any building or property (other than a branch campus) owned or controlled by an institution of higher education that is used in direct support of, or in relation to, the institution's educational purposes, is used by students, and is not within the same reasonably contiguous geographic area of the institution.

DEFINITION OF PUBLIC PROPERTY

The term "public property" means all public property that is within the same reasonably contiguous geographic area of the institution, such as a sidewalk, a street, other thoroughfare, or parking facility, and is adjacent to a facility owned or controlled by the institution if the facility is used by the institution in direct support of, or in a manner related to the institution's educational purposes.

STATUS OF CAMPUS SAFETY

Although located in an urban environment, the Auraria Campus has one of the lowest campus crime rates in the state. This is primarily due to the fact that it is a commuter campus and does not house dormitories or student residences on campus premises. This report includes crime rates for the campus proper along with any building or property owned or controlled by an institution within the same contiguous geographic area of the institution. State crime statistics can be found in the Colorado Department of Public Safety's annual report entitled "Crime in Colorado".

REPORTING CRIMES AND EMERGENCIES

Crime reports can be made at any time. Auraria Police Department services are available 24 hours a day, seven days a week. Priority is given to reports of incidents that threaten the life or safety of people, the security of property and the peace of the community.

Colorado Revised Statutes, 18-8-115, "Duty to Report a Crime", requires all persons who believe a crime has been committed to promptly report the suspected crime to law enforcement authorities. **When on campus, these crimes must be reported to the Auraria Police Department.** To report a crime, use one of the emergency telephones located in every classroom building for immediate, direct access; or call 911 from any campus phone for emergencies or call X6-5000 for other police assistance. Cell phones and off-campus calls dial (303) 556-5000.

Call the Auraria Police Department if:

- ❖ You see someone committing a crime
- ❖ You need to report an old crime
- ❖ Someone is injured or ill
- ❖ You see fire or smell smoke
- ❖ You see anyone or anything suspicious
- ❖ You think you see a drunken driver
- ❖ You have knowledge of a chemical spill

In addition, victims of stalkers or persons with protection orders against another party are strongly encouraged to notify the Auraria Police Department of the threat and to provide APD a copy of the protection order so that Auraria Officers may enforce it. If the subject is protected from the Auraria Campus, please have the court list your school and the Auraria Higher Education Center separately on the order.

The Auraria Police Department also provides an anonymous reporting option for victims of crimes who do not wish to be identified. Victims of crimes who wish to remain anonymous may obtain these forms via ACPD web site at www.ahec.edu/acpd.htm. Additionally, a “Clery Act Statistic Report Form” is available to any campus official who is designated as a campus security authority (includes the following: Deans, student housing staff, athletic coaches, student activities coordinators, student judicial officers, and faculty advisors to student organizations) to complete as they become aware of a crime and the victim wishes to remain anonymous.

The Auraria Police Department encourages professional and pastoral counselors, although not required to report crimes, to tell victims about the Confidential Reporting Process.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

The Auraria Higher Education Center has developed an Emergency Operations Plan that provides a comprehensive set of guidelines for directing resources before, during and after campus emergencies and disasters. The Auraria Police Department is very proactive in training all police officers and the community for emergency preparedness, response and recovery. The plan includes a set of guidelines for emergency procedures which are posted with evacuation diagrams in all the campus buildings. In addition, these guidelines can be found at: http://www.ahec.edu/emergency/Emergency_Procedures_Guide.pdf.

Outlining emergency guidelines for the campus, is a Campus Safety Video. This video is played continuously on the cable channel for the campus, at new student/faculty/staff orientations, and in classrooms during the first two weeks of each semester. This information is also available on the AHEC website at www.ahec.edu.

In case of an active, major campus emergency, the Emergency Alert System may be activated. For further information see “**Crisis Communications Plan-Timely Warnings and Immediate Notifications**”.

The Auraria Police Department tests emergency response and evacuation procedures on at least an annual basis during drills and other exercises. These tests are initiated by the Emergency Preparedness Coordinator and are normally announced and publicized in advance of the drill or exercise.

The Auraria Police Department’s Emergency Preparedness Coordinator maintains records of all tests, drills and exercises that include a description of the exercise, the date, time, and whether it was announced or unannounced.

CRISIS COMMUNICATIONS PLAN – TIMELY WARNINGS AND IMMEDIATE NOTIFICATIONS

Purpose

This plan provides guidelines for communicating within the campus, and from the campus to the media and the public, in the event of an emergency or crisis.

Disasters, emergencies and crises disrupt the normal activities of the campus and may require activation of the AHEC Emergency Operations Plan. This Crisis Communications Plan describes the role of Communications and Campus Relations in communicating vital information to members of the Auraria community and the public.

This plan is to be flexibly used with emergency decision-making procedures of the campus.

Elements should be tested annually in conjunction with campus-wide emergency drills. Appendices should be checked for accuracy and completeness at least annually, and as often as necessary.

Objectives

1. Determining whether the situation requires invoking this plan.
2. Assembling the Crisis Communications Team to recommend responses.
3. Implementing immediate actions to:
 - (a) Identify key constituencies who need to be informed.
 - (b) Communicate facts about the situation and minimize rumors.
 - (c) Restore a sense of confidence and order.

Assessment & Notification Procedures

1. Assessment – The AHEC Assistant Vice President of Campus Relations (AVPCR) or their designee will be made aware of a potential crisis or emergency by the Chief of the Auraria Police Department or their designee. The Chief of Police and AVPCR or their designees then determines whether it is appropriate to invoke this plan and activate all or part of the Crisis Communications Plan. Once activated, the AVPCR will notify each of the institutional Communications Directors/Public Information Officers or their backups as soon as practical.

2. Issuance of a “Timely Warning” – Per the requirements of the Clery Act, “Timely Warning” advisories are made to the campus community for crimes that are reported to the Auraria Police Department or local police and which may represent an ongoing threat to the safety of students or employees. The Chief of the Auraria Police Department or their designee shall make the decision as to whether an incident poses an ongoing threat and if a “Timely Warning” advisory is required. In the event that an advisory is required, the Chief of Police or their designee shall provide the AHEC AVPCR or their designee with the specifics of the case for the purpose of drafting the “Timely Warning” advisory. **In all cases, Timely Warning advisories are then sent by AHEC staff via electronic mail directly to all staff, faculty, and students on the Auraria Campus using their institution-provided email accounts.**

These advisories may also be made using one or a combination of the following methods:

- Press Releases

- Crime Advisories
- Making reports available to the campus community and media through campus websites and newspapers, and radio and television news stations
- Advertising in campus publications

3. Issuance of an “Immediate Notification” – In the event that there is a confirmed significant emergency or dangerous situation involving an immediate threat to the campus community (per the judgment of the Chief of the Auraria Police Department or their designee), AHEC will, without undue delay, and taking into account safety of the community, determine the content of the notification and initiate the immediate notification system. However, if in the professional judgment of responsible authorities the notification may compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency, the notification may be delayed.

As with the above section related to “Timely Warnings”, the Chief of Police or their designee shall provide the AHEC AVPCR or their designee with the specifics of the case for the purpose of drafting the content of the immediate notification. AHEC also maintains pre-scripted short message scripts for a variety of hazards to assist in the timely issuance of immediate notifications. **In all cases, Immediate Notifications will be sent by AHEC staff via the electronic Emergency Notification System (i.e. text messaging system) directly to all staff, faculty, students, and visitors on the Auraria Campus that have subscribed to the free system.** A variety of other communications tools may be used, including campus-wide email messages, broadcast voice mail messages, updates to the Auraria Campus Emergency Hotline (1-877-556-EMER) and Information Line (303-556-2401), and notices posted on electronic message boards and www.ahec.edu.

Crisis Communications Spokesperson

The designation of a spokesperson is incident-dependent. Generally, this is the highest-ranking individual who has direct knowledge of the events, or the AHEC Assistant Vice President of Campus Relations. The individual selected will have the highest credibility and understanding of the events surrounding the crisis. Other qualified public information officers may fill in for these individuals if the crisis is prolonged, but they should not be the initial responders to the general public, the media, or the campus community.

In the event that the incident is related to a criminal act, the basic thresholds that the Auraria Police Department may use to determine the lead agency for public information are as follows:

- Misdemeanor Crime = Auraria Police Department lead (APD Chief or designee)
- Felony Crime = Denver Police Department/ District Attorney lead (PIO or designee)

As a criminal act relates to a particular student/faculty/staff of a single institution, the institutional PIO shall be the primary media contact, in partnership with the law enforcement spokesperson. If a criminal act relates to the campus facilities or operations, the AHEC AVPCR shall be the contact.

Incidents that are not crime-related will follow similar guidelines. Situations that affect a single institution, such as a student death, will be represented by the respective PIO. Situations that

involve the campus facilities or operations, such as a natural disaster, will be represented by the AHEC AVPCR.

LAW ENFORCEMENT AUTHORITY AND INTER-AGENCY RELATIONSHIPS

The police officers in the Auraria Police Department receive their police authority via the provisions of the Colorado Revised Statutes, Title 24, Article 7, Part 1. The Auraria Board, through its Executive Vice President of Administration, has delegated authority to the Auraria Police Department to enforce campus rules and regulations as well as Municipal, State Laws and Federal Statutes. Auraria Police Department officers have full police authority and are certified police officers as defined under CRS 18-1-901(1)(I).

The City and County of Denver entered into an Intergovernmental Agreement establishing the working relationship between the Auraria Police Department and the Denver Police Department, and granting to the Auraria Police Department Police Officers a Denver Special Police Officer Commission, issued by the City's Manager of Safety, to enforce clearly defined ordinances of the City of Denver. These ordinances include criminal and traffic related offenses.

It is the desire of both the Auraria Police Department and the City of Denver to provide the best possible atmosphere of public safety on and around the campus. The Intergovernmental Agreement is designed to establish the current working relationship between the Auraria Police Department and the Denver Police Department, consistent with and in compliance with the requirements of the Denver City Charter and State statutes, and all terms and conditions of the Intergovernmental Agreement are to be interpreted in light of the goal of increased public safety.

The current scope of this authority for the Auraria Police Department Police Officers is limited to the Auraria Campus area.

AURARIA POLICE DEPARTMENT

The Auraria Police Department staff includes a Chief of Police, a Deputy Chief, Sergeants, Corporals, a Detective, Police Officers, Security Officers, Dispatchers, and Office Support Staff. * PROGRAMS SPONSORED BY THE INSTITUTIONS WITH COOPERATION FROM AURARIA POLICE DEPARTMENT

ACCESS TO CAMPUS FACILITIES

Auraria Police Department has the primary responsibility for coordinating the locking and unlocking of most campus buildings. Established facility hours are coordinated and maintained by the Auraria Campus Use and Support Services. Auraria Police also works closely with the Facilities Management Department to maintain building security and key control. Access to facilities after normal building hours is limited and coordinated with Facilities Management Access Control and Auraria Police.

The Tivoli, a designated historic landmark, is a former brewery acquired by the campus in 1992. It is being used as a student union and, in addition to student and media operations, houses a variety of retail outlets including a movie theater and restaurants. Because of its open nature it contains a satellite police and security unit and is patrolled 24 hours a day.

ALCOHOL AND DRUG POLICY

By Gubernatorial decree and in compliance with applicable laws, the illegal use of alcohol, other drugs, or controlled substances when on campus is prohibited.

In addition to the policy described above, education, training, and treatment programs are available through the Student Life Programs at each institution and through Auraria Human Resources. The campus may take action when policies on the use, possession, distribution, manufacture, and sale of illegal drugs have been violated. AHEC also cooperates with local, state and federal authorities in the detection and possession of drug offenses.

AHEC alcohol policies apply to the Auraria Campus and institution-sponsored activities. Administrators, alumni, faculty, guests, staff and students must adhere to all applicable state and local laws and regulations related to the sale and use of alcoholic beverages. The most common laws related to alcohol use and sales are as follows:

The sale of alcoholic beverages is prohibited except in areas, at times, and on dates licensed by the Colorado State Department of Revenue.

Persons under 21 years of age cannot legally possess or consume alcoholic beverages of any kind. The furnishing of alcoholic beverages to under-aged persons is prohibited.

Alcohol cannot be consumed or carried in open containers on any street, sidewalk, alley, automobile, or public area (except as noted herein).

SERVING ALCOHOL

Those persons or organizations that control the service of alcoholic beverages are responsible for compliance with applicable laws and campus policies. Those policies are:

Service of alcoholic beverages is planned to stop before the close of the event.

The burden of proof for showing legal age is on the alcohol consumer. No alcohol will be served unless clear evidence of legal age is presented. It is the responsibility of those in charge of an event to ensure that no one who is under age is served or consumes any alcoholic beverages.

Alcohol may not be consumed or carried in open containers in common areas or "public" areas of any building or grounds except as follows: for group activities or events where a liquor license (if required) has been obtained and the scheduling officer has approved the event.

ILLEGAL DRUGS

The policy for Auraria and the institutions prohibit the sale, manufacture, distribution, use or possession of illegal drugs on the Auraria Campus. This policy applies equally to administrators, faculty, staff, and students.

VIOLATION OF DRUG POLICY

Sale, distribution or manufacturing of illegal drugs by a member of the Auraria Campus community will normally result in the administration taking action to curtail the activity. This policy applies within or upon the grounds, buildings, or any other facilities of the campus. Sanctions may be imposed upon individuals found in violation of these policies, as well as violation of laws controlling drugs and alcohol.

More specific and detailed information about Auraria and institutional policies addressing drugs and alcohol concerns can be found in operations manuals, student handbooks, personnel offices or administrative policy information. Faculty, staff and students are encouraged to obtain this information through the Student Life or administrative areas of Community College of Denver, Metropolitan State College of Denver, University of Colorado Denver or the Auraria Higher Education Center Administrative office.

AURARIA CAMPUS SEXUAL ASSAULT POLICY

I. Statement of Purpose:

This Policy was developed collaboratively by the Auraria Higher Education Center (“Center”) and its constituent institutions—the Community College of Denver, the Metropolitan State College of Denver, and the University of Colorado Denver—for the purpose of implementing provisions of the *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act*, 20 U.C.S. § 1092(f), relating to the response of the Auraria Police Department and the constituent institutions to students who are victims of sexual assault. The Auraria Campus is committed to responding appropriately to all reports of sexual assaults and to working collaboratively with other law enforcement and government and community agencies.

In the development of this Policy, the Auraria Campus also collaborated with the Sexual Assault Interagency Council and adhered to the spirit of the Denver Sexual Assault Response Protocol, which was signed by the chief executives of the constituent institutions on November 7, 2005. This Protocol is available online at <http://www.denversaic.org>.

This Policy provides general guidelines for responding to students of the constituent institutions who are victims of sexual assault on the Auraria Campus or during other institutionally-sponsored activities. II. Policy Statement:

The Center and its constituent institutions prohibit sexual assault, attempted sexual assault and other sexual offenses on property owned or controlled by the Center or its constituent institutions, at institutionally-sponsored or supervised activities, or at functions of recognized student organizations. The Federal Bureau of Investigation's National Incident Based Reporting System of the Uniform Crime Report defines a sex offense in general as "any sexual act directed against another person, forcibly and/or against the person's will; or not forcibly or against the person's will where the victim is incapable of giving consent."

Penalties for violations of this policy or the internal policies of the Center or its constituent institutions by their employees or students are determined by their specific internal policies and procedures but may include termination or expulsion for instances of sexual assault or attempted sexual assault, and lesser penalties, including suspension, probation and assessment of financial penalties for other offenses, as appropriate.

III. Sexual Assault Prevention on the Auraria Campus:

The Auraria Campus institutions provide ongoing education about sexual assaults and prevention through new student orientation programs that take place during each fall and spring semester, and through scheduled educational programming through campus activities offices. The Auraria Police Department offers sexual assault education and information programs to Auraria Campus students and employees upon request. For Center or institution specific information or literature on sexual

assault education and campus response, contact the representatives listed in Section I of this Policy.

IV. Sexual Assaults / Offenses:

Students who believe they have been the victims of a sexual assault or attempted sexual assault on the Auraria Campus should first ensure that they are in a place that is safe and that they are receiving any necessary medical treatment. Students should report any incident of sexual assault or attempted sexual assault immediately to the Auraria Police Department at 303-556-5000, or by dialing '911' from any campus telephone. Reports may be made anonymously. Students may also report to their institution's representative listed in Section I, a faculty member or an administrative official. In the interests of campus safety, the representative, faculty or staff member should immediately notify the Auraria Police Department of the incident and also may be required to report the incident in accordance with their institution's internal policies—see paragraph V.5 below. The identity of the student involved in or reporting the incident is not essential for reporting—see paragraph V.6 below.

If they wish, students may have the assistance of campus administrative staff in reporting incidents of sexual assault. Care should be taken in such instances to file the report as soon as possible after the incident and to preserve all physical evidence of the crime to aid in the police investigation. These procedures are particularly important in the case where the assailant is unknown to the victim and may be a threat to the campus community.

V. Options for Student Victim of Sexual Assaults / Other Sexual Offenses:

The victim of an alleged sexual assault, a threatened sexual assault, or other sexual offenses on the Auraria Campus has several options that may be pursued individually or in combination with other options:

1. To get immediate crisis counseling (24 hours a day) contact the Rape Assistance and Awareness Program (RAAP) hotline (303-322-7273).
2. To file criminal charges with the police department. (In this case, the victim will likely be interviewed by police investigators and possibly by government attorneys, and if the case goes to trial, will likely be called to testify in court.)
3. To file a civil lawsuit or restraining order request against the accused. (In this case, the victim may need a private attorney to assist with these options, and the victim will likely be required to give testimony in court.)
4. To file charges against an accused assailant through the Center or institution's appropriate process. If the victim chooses this option, he or she can expect:
 - a. To be interviewed by an official designated by the Center or institution, who will develop a written incident statement and explain the complaint and disciplinary process;
 - b. To be notified whether the charge will result in a hearing following the preliminary review by the Center or institution's officials;

- c. To give testimony and to answer questions about the case before an official or board, the accused and an advocate for the accused, should the charge result in a hearing;
 - d. To be afforded those rights available to the accused as outlined in the Center or institution's specific student code of conduct or employment policies;
 - e. That both the victim and the accused will be informed of the outcome, except when prohibited by law, of any hearing that may take place;
 - f. That the incident may be referred for criminal prosecution independent of the Center or institution's internal process.
5. Inform Center or institution officials without filing formal charges. However, the Center or institution may have a legal obligation to investigate the incident and take action against the accused. In that case, the victim can have the same expectations as described in subparagraphs 4.a-f above.
 6. Make an anonymous report to a campus official without including student identifiers.

Special notes:

1. Student victims have the option to request adjustments to their academic schedules after a reported sexual assault, if such changes are reasonably available. Each such request will be handled on a case-by-case basis by the student's institution.
2. Both the accuser and the accused are entitled to the same opportunities to have others present during any disciplinary hearing.
3. Both the accuser and the accused will be informed of the outcome, except when prohibited by law, of any Center or institutional disciplinary proceeding that is brought alleging a sex offense.

VI. Support for Victims:

Students who are victims of sexual offenses have access to various confidential counseling options with staff that are specifically trained in the area of sexual offenses and crisis intervention. Victims of sexual offenses can be seen confidentially through the Health Center at Auraria. During regular business hours, victims should call the Auraria Health Center at 303-556-2525 for immediate care or an appointment. After hours, victims should seek immediate assistance from Denver Health Medical Center at 8th and Bannock in Denver. For additional resources, contact the institutional representative listed in Section I.

VII. Additional Resources:

The **Phoenix Center at Auraria (PCA)**, funded by a grant from the Department of Justice, provides free and confidential response and support services to survivors of interpersonal violence on the Auraria campus. Interpersonal violence is defined as sexual assault, relationship violence, and stalking. The PCA is based in the Tivoli Student Center, room 259 (from August 17, 2009). Office hours are 8:30-4:30pm, Monday to Friday. The PCA operates a 24/7 free and confidential helpline (available August 10, 2009) that anyone connected to the Auraria campus can use. Please call **303-**

556-CALL (2255) for advice, information, and accompaniment to the hospital/police station, or if you just need to talk. The helpline can assist you with any form of interpersonal violence. Trained advocates are waiting to take your call.

The PCA also runs a Violence Prevention Education (VPE) Program, staffed by six student volunteers. Violence Prevention Educators are trained to provide education to the campus community on all forms of interpersonal violence. Examples of educational programs include class presentations, attending resource fairs, bringing speakers to campus, healthy relationship screenings, and much more. The VPE program also attends all new student orientations to give information on interpersonal violence and services available to every incoming student. The Center works collaboratively across the Auraria campus and serves the University of Colorado Denver, Metropolitan State College of Denver, the Community College of Denver, and the Auraria Higher Education Center.

The Center's mission is:

To implement campus response services, provide education, and facilitate dialogue related to IPV in the Auraria community.

The Center's goals are:

- To provide 24/7 safe and confidential resources and assistance to survivors of interpersonal violence (IPV), and their friends and families;
- To provide a seamless campus wide response to interpersonal violence (IPV) through the development and implementation of campus policies, protocols and services;
- To provide training and education for the campus community on IPV and its effects;
- To provide primary prevention initiatives;
- To strengthen security and investigative strategies to prevent and prosecute violent crimes on campus.

The Phoenix Center at Auraria provides services to all who need them regardless of race, color, ethnicity, national origin, age, religion, ability, sexual orientation, gender, gender identity, marital status, and veteran status.
