

## ROADWAYS Vision Statement

**STUDENTS:** Roadways will promote equitable access to a comprehensive platform of resources and supports that foster sense of belonging and school pride, academic achievement, and the realization of career goals.

**ROADWAYS AT MSU DENVER:** Roadways will lead the university as a campus-wide model for collaboration and innovation in our common drive to increase student retention and graduation.

**DENVER/COMMUNITY/COLORADO:** By collaborating on local and state levels, Roadways will lead MSU Denver to become a preeminent urban institution of higher education that cultivates an educated Colorado citizenry and whose alumni re-invest in the community.

**HIGHER EDUCATION:** Roadways will become a nationally recognized model for best practices in student success that contribute to access, retention, and graduation in a public, diverse, urban institution in higher education.
